

**The 5<sup>TH</sup> Annual Health and Wellness Fair for the Whole Family.**

**The Tewksbury Board of Health, together with the Tewksbury Council of Aging, would like to thank everyone involved in the 6<sup>th</sup> Annual “Health and Wellness Fair”. The Fair was once again a big success, and continues to grow each year. This year included more vendors and attendance rose to almost 400 people.**

**The event couldn’t have been accomplished without the help of all the volunteers, exhibitors, attendees, and the Board of Health team. I would like to extend my sincerest gratitude to each and every person who helped. Thank you for another successful year.**

**The 2015 Fair will take place once again during National Public Health Week. We hope to see you all on Wednesday, April 8, 2015.**

**Sincerely:**

**Lou-Ann Clement, C.H.O.  
Director of Public Health**
